

**Name:** Ken Wolff  
**AZACP Position:** Web Director  
**Company:** Chief Security Officers LLC  
**Title:** Security & Audit Professional

**BCP Background:** I have 29 years of IT experience the last 10 of those consulting in Business Continuity Planning, Disaster Recovery Planning and IT Security Issues.

**Certifications:** CISSP – Certified Information Systems Security Professional  
[www.isc2.org](http://www.isc2.org)

**Positions held with ACP:**  
2007 – Web Director

**Hobbies:** I've been riding in Jeeps since I was 6 (thanks Dad) and driving them since I was 12 (thanks again Dad). My current project is my 1985 Jeep Scrambler CJ-8. Only 35,000 miles on it and only 8,000 miles on the rebuilt Chevy 350 with Holley fuel injection that I installed in the 90's. I love to go out riding in the desert.

**Other Information:** Moved from Michigan to Phoenix in 2004, my sons (19 and 23) moved out shortly after and now attend Northern Arizona University.

**Favorite Quote:** "I reject your reality and substitute my own!"
